Sir Robert Falconer,
President,
University of Toronto,
Toronto.

Dear Mr. President:

I have the honor to report to you and through you to the Caput of the University the following:

The Central Discipline Committee of the Students Administrative Council find after very careful investigation that the men of the Second Year of the Faculty of Medicine are guilty of violation of points 1 and 2 set forth in a letter relating to contests and sent out from the office of the Students Administrative Council on the 10th of October in that they failed First, to make written application to the Central Discipline Committee for permission to hold said contest and Second, failed to submit an outline of the plans for the said contest.

That said illegal contest took place behind the Medical Building on Friday, October 24th.

That it be respectfully recommended to the Caput of the University that a fine of Two Hundred Dollars be imposed upon the men of the Second Year of the Faculty of Medicine.

That in view of our belief that a considerable number of the men of the Second Year did not participate in said illegal contest, that any innocent man be given the privilege of going before Mr. Norman Russell, President of the Medical Society, and declaring on his honor his innocency of the above mentioned charge and be relieved of the necessity of paying the fine.

I have also the honor to report that the Central Discipline Committee have constituted themselves into the Students Court and that the General Secretary-Treasurer of the Council will always act in the capacity of Prosecuting Attorney and that the accused will be given the privilege of selecting a Defendant Counsel from the undergraduate body of the University.

That the Students Court after careful investigation find the First and Second Year male students in the Faculty of

Medicine guilty of disorderly conduct on Guy Fawkes' night in the Gayety Theatre by interrupting the show, on the city streets by interference with the traffic, in Childs Restaurant by destruction of food and glassware and at Columbus Hall by interference with a Dental dance.

That the Students Court respectfully recommend that a fine of Three Dollars and Fifty Cents each be imposed on the male students of the First and Second Years of the Faculty of Medicine.

That any innocent man be given the privilege of stating on his word of honor to Mr. Norman Russell, the President of the Medical Society, that he was not guilty of taking part in any disorderly conduct or of parading, that Mr. Russell be empowered to relieve him of the necessity of paying the said fine.

That Mr. Guthrie of First Year Medicine was tried on a charge of being the main incitor of disorderly conduct during the course of the above mentioned evening and found not guilty. That on the reduced charge of being an incitor of disorderly conduct the Students Court also found Mr. Guthrie not guilty and respectfully recommend that the same punishment be meted out to Mr. Guthrie as to the remainder of the male students in the First and Second Years of the Faculty of Medicine.

The Students Court respectfully recommend that the Caput adopt a standard procedure as to the collection of fines through the Bursar's Office and that said fines be collected as soon as possible after the Caput's approval of the finding of the Students Court.

Yours respectfully,

Gallien C. Grant

C. C. Grant, Esq.,
Secretary, Students' Administrative Council,
University of Toronto.

Dear Mr. Grant:

At the meeting of the Caput held on Saturday it was unanimously resolved that the Caput should concur in the recommendation of the Students' Administrative Council, and in conformity therewith authorise the Bursar of the University to collect the fines recommended by the report, such fines to be paid not later than 15th of January next.

It will be necessary for the Administrative Council to send the Bursar a list of the students who are to pay these fines. The Caput is of opinion that the announcement should be made to the students through the Executive of the Administrative Council, as they wish as far as possible to leave the whole matter in their hands. You will observe that they have fixed the 15th of next January as the date on which the fines are to be paid.

Yours sincerely,

President.

Sir Robert Falconer,
President,

Dear Mr. President:

A meeting was held in the Warden's Office, Hart House, on Friday, January 9th, to consider the Constitutions of Hart House with relation to the various bodies which have quarters in Hart House. The following were present: W. F. Bowles, Warden, and Professor V. E. Henderson representing the Stewards of Hart House; A. F. Barr and T. A. Reed, representing the Athletic Directorate; C. C. Grant, J. B. Skene and O. G. Hague, representing the Students Administrative Council; and H. S. Patton representing the Y. M. C. A.

After considerable discussion touching upon the functions and powers of these bodies a motion was passed requesting that the Board of Governors consider the Constitutions of the Stewards of Hart House and the Constitutions of the Students Administrative Council with a view to delimiting their respective functions and powers. A report of the action of the above mentioned Committee was read at the last regular meeting of the Students Administrative Council and approved.

I was accordingly instructed to communicate with you and ask that an interview be arranged when representatives of the Board of Stewards of Hart House and of the Students Administrative Council could wait upon a Committee of the Board of Governors.

Messrs. J. B. Skene and V. G. Lewis were appointed to represent our Council.

Yours respectfully,

C. C. Grant. p. . . .

C. C. Grant, Esq.,
Secretary, Students' Administrative Council,
Hart House.

Dear Mr. Grant:

I think that it would be much better for the representatives of Hart House and of the Students' Administrative Council to meet me before they see a Committee of the Board of Governors. I do not wish to have such a matter as this brought before the Board who always have a great deal of university business at hand, unless it is absolutely necessary. I shall be glad to arrange for an interview at a suitable time.

Yours sincerely,

President.
